Lander, in a most impressive manner christened a loving cup presented by the Presbyterian Sabbath School to their beloved superintendent, Mr. Charles Wheeler, and at the cup passed from guest to guest each expressed a loving wish for the health and happiness of Mr. Wheeler.

## Wet or Dry.

In spite of the reason of the fast State election in Kentucky the question of "Wet or Dry" still seems to be an active force in Kentucky politics, fraught with the same danger to party success and carrying with it more bitterness and more destructively drawn lines than between Democracy and Republicanism. In Marion county in the nomination of county officers in the Democratic primary, according to the reports sent out from Lebanon, the line up was between those who favor the saloon and those opposed to it and the result was heralded as a "wet" victory. In Warren county, where a primary election was held by the Democrats last Saturday the same issue was forced to the front, and Mr. Denhardt, the "dry" candidate for county judge, was nominated by a handsome majority. In other counties the same question is likely to cut a big figure in the nomination of county officers. In nearly every instance this fight is being made in counties that are "dry" and they seem to be made without a sufficient consideration of the final election next November. Where the "wets" win in the primary there is a likelihood of the ticket being defeated by the temperance people voting for the Republicans and where the dries win the nomination they are in danger of the same fate by the wets voting with the Republicans. Both sides are fooling with fire unless they propose to make the temperance question instead of politics the determining matter in the selection of county officers.—Elizabethtown News.

## A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last Winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. New Stanford Drug Co.

Rigney, being told before they started across that it would be 16 minutes before the train was due. They thought they could get across. No. 2 being ahead of time caught them before they got across. Mrs. Rigney got out on the side of track and saved her life by a close call. Miss Addie, thinking she could get to the end of trestle by running, started to run but was caught at the end of trestle by getting her foot fast. She was a good girl and loved by all who knew her. At an anti-saloon meeting in Versailles, the Woodford Sun reports Rev. Jos. Severance as saying that nine out of every 10 in the penitentiary laid the blame of their downfall on the liquor business. Curt Jett, the Breathitt county murderer, had told him a few days ago, he said, that if it had not been for whiskey drinking he (Jett) would in all probability be a free man and an honorable citizen to-day. Recently Mr. Severance asked an audience of 700 convicts how many, if they were out, would vote to close the saloons. All stood up. He then asked how many were in favor of open saloons and not one stood up. They all either told the truth, said Mr. Severance, or, if they were in favor of saloons, they were ashamed to acknowledge it. Mr. Severance, in conclusion, made a plea for the protection of the girls. They need it far more than the boys, said he. A drunken son is bad enough, but a drunken son-in-law is worse.

TO THE DEMOCRACY OF LINCOLN COUNTY:—I find that it will be impossible for me to make an active canvass of the county for the nomination for jailer owing to the condition of my business affairs, and hence have decided to withdraw from the race. I am very thankful to my many friends for their generous support in my race and hope I will some day be privileged to favor them. Thomas W. Gooch.

MR. A. ADDAMS, of Crab Orchard, familiarly known as "Gabe," is a candidate for Prison Commissioner and he has friends all over the State who would like to see him land the plum. He is a fine gentleman, a sterling democrat and is well equipped for the position he seeks. The democrats of Lincoln county should and doubtless will do all in their power to aid Mr. Addams in his race. Here's hoping he will win.

### Weak Women

To weak and ailing women, there is at least one way to help. But with that one, two treatments must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is a wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, once nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—a general tonic to the system. For positive local help, use as well
